## DETAILED ACTION

The Amendment, filed on November 7, 2003 has been entered and overcomes the rejection of claims 1,13,18 under 35 U.S.C. § 103(a).

Cancellation of claims 5,6,17 has been entered.

### ***Allowable Subject Matter***

Claims 1,13,18-20 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 13, the references of the Prior Art of record fails to teach or suggest the sealing vessel having the combination of the limitations as set forth in claims 1 and 13, and specifically comprising the two individual metal fixing blocks outside the frame member each adhered at an inner side to the glass plates and having finely finished surface on the outer side, the finely finished surfaces of the two blocks being brought into contact fixing the distance between pair of flat glass plates and then welded together.

Claims 19 and 18, 20 are allowable for the reasons given in claims 1 and 13 because of their dependency status from claims 1 and 13 respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
